## MAILINGS FROM CEPD

The Captiva Erosion Prevention District would advise all property owners on Captiva to ensure their mailing address with the Lee County Property Appraisers Office is up to date to ensure all mailings are received in a timely fashion.

CEPD sends out many mailings throughout the year in accordance with its enabling legislation. The CEPD must send its mail to property owners addresses as they are recorded on the last available tax roll.

"It shall be the duty of the District Board to provide Notice by Mail to any person, firm, or corporation whose specially benefitted lands shall be affected at such address as shown on the last available tax roll, at least ten (10) days before the time for the hearing as stated in such notice." - FL Legislature 2000 HB927
